Notice of Annual General Meeting Wednesday 10 May 2017

The Annual General Meeting of the Company will be held at The Lincoln Centre, 18 Lincoln's Inn Fields, London WC2A 3ED on Wednesday 10 May 2017 at 11.00 am. Notice of the Annual General Meeting is set out on pages 4 to 7 of this document and is accompanied by an explanation of the business to be transacted at the Meeting.

If you are unable to attend the AGM you can still vote if you appoint a proxy. Shareholders will find enclosed a reply-paid Form of Proxy for use at the AGM. Whether or not you intend to be present at the AGM you are requested to complete and return the Form of Proxy as soon as possible and, in any event, so as to arrive no later than 11.00 am on 8 May 2017, being 48 hours before the time the AGM begins. The completion and return of a Form of Proxy will not preclude you from attending the AGM and voting in person if you subsequently wish to do so. At the AGM, voting on each resolution will be conducted by a poll. This is a more transparent method of voting than a "show of hands" as shareholders' votes are counted according to the number of shares held.

Arrangements have also been made for CREST Members to appoint a proxy or proxies through the CREST electronic appointment service. Further details are included in Notes 9, 10, 11 and 12 on pages 6 and 7 of the Notice of AGM.

If you have requested a printed copy of the Annual Report, it is enclosed with this letter. If you requested to receive your Annual Report electronically, or did not return the election card previously sent to you, please accept this letter as notification that Vesuvius' Annual Report is now available on the Company's website – <http://www.vesuvius.com/annualreport2016>.

2017 Annual General Meeting ("AGM")

Vesuvius' AGM will be held at The Lincoln Centre, 18 Lincoln's Inn Fields, London WC2A 3ED on Wednesday 10 May 2017 at 11.00am. The Lincoln Centre has facilities for attendees with disabilities; please contact the Company Secretary if you require assistance. There will be an opportunity to meet Directors and Senior Executives of the Group both before and after the Meeting.

Business of the Meeting

The formal notice of the AGM is set out on pages 4 to 7 of this document (the "Notice of AGM"), and full details of the resolutions to be proposed are contained in the Explanatory Notes appended to the Notice of AGM.

Directors' Remuneration Policy

This year, in addition to our annual report on remuneration, Shareholders are again being asked to approve our Directors' Remuneration Policy. The Policy sets out the Company's forward looking policy on Directors' remuneration (including the approach to exit payments to Directors). We are required to submit the Policy to a binding shareholder vote at least every three years, and as the Policy was last approved at the AGM in 2014, a new Policy is being tabled for approval at this AGM. The Policy is set out on pages 81 to 89 of the Annual Report.

During the year the Remuneration Committee conducted a thorough review of the Directors' Remuneration Policy to ensure that it continues to support delivery of our strategy. It considered recent developments in governance and the views of our Shareholders gained through our investor engagement programme. It also received advice from the Remuneration Committee adviser, Deloitte, and reviewed the pay and benefits received by other Vesuvius employees. Following these deliberations, the Remuneration Committee concluded that the existing combination of Fixed pay, Annual Incentive and Long-Term Incentive awarded in Performance Shares, remains the most suitable mechanism for rewarding and incentivising Executive Directors. Consequently, the new Directors' Remuneration Policy proposed for adoption by the shareholders at the 2017 AGM does not differ materially from the existing Policy adopted at the 2014 AGM.

As part of its review, the Remuneration Committee considered the market competitiveness of Vesuvius' reward package to ensure that the group can attract, motivate and retain appropriate talent to implement our business strategy successfully. Following this review, the Remuneration Committee concluded that the new Directors' Remuneration Policy should specify the same maximum Annual Incentive opportunity for all Executive Directors (62.5% of base salary for on-target performance and 125% at maximum), where the existing Policy differentiates between the Chief Executive and other Executive Directors. In order to further align the interests of the Executive Directors with those of Shareholders the Company is also introducing a requirement for deferral of a proportion (normally 33%) of the Annual Incentive into awards over shares for three years. No other material changes to the existing Policy are being proposed.

Auditor

At each general meeting at which the accounts are laid before Shareholders, the Company is required to appoint an auditor to serve until the next meeting at which accounts are laid before Shareholders again. KPMG or one of its predecessor firms has long-standing tenure as the Group's auditor, having been retained following the demerger in 2012. In compliance with new auditor independence requirements, and in light of regulatory changes regarding audit tendering and audit firm rotation, the external audit of the Group accounts was put out to tender during 2016. Following the completion of the tender, the Board is proposing a change of external auditor, and is recommending the appointment of PricewaterhouseCoopers LLP as the Company's auditor for the financial year ending 31 December 2017. Shareholder approval is being sought to confirm this appointment. Accordingly, KPMG LLP has resigned as auditor and, pursuant to section 519(3) of the Companies Act 2006, has provided a statement of circumstances upon ceasing to hold office. The Company is required to provide Shareholders with a copy of this statement and this is set out in the Appendix to this document on page 12. I would like to thank KPMG for their unstinting professionalism and dedicated service to the Group during their tenure.

Directors' Elections / Re-elections

I am delighted to confirm that the Board has been further strengthened by the appointment of a new Non-executive Director, Holly Koepfel. Holly will join the Board on 3 April 2017 and will stand for election at the AGM. Holly is an American citizen with more than 35 years' global utility, power and infrastructure experience. In January 2017, she retired from Corsair Capital, as Head of Corsair Infrastructure Management, L.P. ("CIM") and the Gateway Fund (formerly Citi Infrastructure Investors, a \$3.4 billion infrastructure fund set up to capitalise on the growing need for infrastructure around the world). Holly will continue to serve as a Senior Adviser to CIM for the balance of 2017, during which time she will step down from all three of her remaining Gateway portfolio investment company boards.

I am extremely pleased to welcome Holly to the Board and encourage you as Shareholders to support her election to the Board at the AGM. Having reviewed her other commitments the Board believes that she will be able to devote the necessary amount of time to the Company's business. She has been appointed on the same terms as the other Non-executive Directors, details of which can be found in the 2016 Annual Report. As at 27 March 2017, she did not hold any interests in the ordinary shares of the Company.

In line with the Company's Articles of Association and the UK Corporate Governance Code (the "Code"), all Directors standing for election will retire at the AGM and seek re-election by the Shareholders. Biographical details of all of the Directors are given on pages 8 and 9.

During 2016, in accordance with the provisions of the Code, the Board conducted a formal and rigorous evaluation of the Board's performance and effectiveness. The evaluation was once again externally facilitated by the corporate advisory firm Lintstock Ltd, and included an evaluation of the performance of the Board's Committees and the individual performance of each Board member. In addition, the Senior Independent Director led an evaluation of my performance as Chairman. The evaluation concluded that the Board continues to function effectively, highlighting the Board's composition and dynamics as particular strengths.

The Board also considered the availability of each of the Non-executive Directors to perform their responsibilities on behalf of the Company. It was noted that Hock Goh holds a number of other directorships, but that these other commitments typically only require a total of 25 days' work per year, with his Chairmanship of MEC Resources Ltd only requiring preparation for one meeting per year. In light of this the Board once again concluded that Hock's additional commitments do not prevent him from properly fulfilling his duties as a Non-executive Director.

As Chairman, I continue to believe that the contribution and performance of each of the Directors remains valuable and appropriate to their roles and responsibilities. They all demonstrate commitment to their roles and I believe that it is appropriate that all Directors standing for re-election should continue to serve on the Board.

Political Donations

As in previous years, I want to emphasise that Resolution 15 – the authority for the Company to incur political expenditure – is proposed solely as a safeguard. There is no intention that the Company make political donations of any nature. As explained on page 10, this resolution protects the Company from an inadvertent infringement of the UK Companies Act 2006 (the "Companies Act"). Many other companies put similar resolutions to shareholders for the same reason.

Please note, this letter is not a summary of the proposals set out in the Notice of AGM and should not be regarded as a substitute for reading the Annual Report, the Notice of AGM or the explanatory notes on pages 8 to 11.

Questions

Shareholders who wish to put any questions to the Board prior to the AGM are invited to send these for the attention of the Company Secretary to: 165 Fleet Street, London EC4A 2AE, England or by e-mail (for these purposes only): shareholder.information@vesuvius.com.

Voting

At the AGM, as with previous years, all resolutions will be voted on by a poll. This is a more transparent method of voting than a "show of hands" as it allows the votes of all Shareholders to be counted according to the number of Shares held. If you are unable to attend the AGM you can still vote if you appoint a proxy. Shareholders will find enclosed a reply-paid Form of Proxy for use at the AGM. Whether or not you intend to be present at the AGM you are requested to complete and return the Form of Proxy as soon as possible and, in any event, so as to arrive no later than 11.00 am on 8 May 2017, being 48 hours before the time the AGM begins. The completion and return of a Form of Proxy will not preclude you from attending and voting in person at the AGM if you subsequently wish to do so.

Arrangements have also been made for CREST Members to appoint a proxy or proxies through the CREST electronic appointment service. Further details are included in Notes 9, 10, 11 and 12 on pages 6 and 7 of the Notice of AGM.

As soon as practicable after the AGM the results of the poll (and other information required by Section 341 of the Companies Act) will be announced via a regulated information service and made available on the Company's website – www.vesuvius.com.

Recommendation

The Directors believe all the proposals to be considered at the AGM to be in the best interests of the Company and its Shareholders as a whole. Your Directors therefore unanimously recommend Shareholders to vote in favour of each of these resolutions, as they intend to do in respect of their own shareholdings.

14. THAT the Directors be authorised, subject to the passing of Resolution 13 above, to determine the Auditor's remuneration. (See Explanatory Notes – page 10)
15. THAT the Company and those companies which are subsidiaries of the Company at any time during the period for which this Resolution has effect be authorised for the purposes of Part 14 of the Companies Act 2006 (the "Companies Act") during the period from the date of the passing of this Resolution to the end of the next Annual General Meeting or 30 June 2018, whichever is the earlier:
 - (i) to make political donations to political parties, and/or independent election candidates;
 - (ii) to make political donations to political organisations other than political parties; and
 - (iii) to incur political expenditure,
 up to an aggregate amount of £100,000, and the amount authorised under each of paragraphs (i) to (iii) shall also be limited to such amount.

Words and expressions defined for the purposes of the Companies Act shall have the same meaning in this Resolution.

(See Explanatory Notes – page 10)

16. THAT the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act to exercise all the powers of the Company to allot Shares or grant rights to subscribe for or convert any security into Shares:
 - (a) up to a nominal amount of £9,040,463;
 - (b) comprising equity securities (as defined in Section 560(1) of the Companies Act) up to a further nominal amount of £9,040,463 in connection with an offer by way of a rights issue;

such authorities to apply in substitution for all previous authorities pursuant to Section 551 of the Companies Act and to expire at the end of the next Annual General Meeting of the Company or on 30 June 2018, whichever is the earlier but, in each case, so that the Company may make offers and enter into agreements during the relevant period which would, or might, require Shares to be allotted or rights to subscribe for or to convert any security into Shares to be granted after the authority ends.

For the purposes of this Resolution "rights" refers to the rights under a "rights issue" which means an offer to Ordinary Shareholders in proportion (as nearly as may be practicable) to their existing holdings, to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to shares held by the Company in treasury ("Treasury Shares"), fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory. (See Explanatory Notes – page 10)

Special Resolutions

17. THAT, subject to the passing of Resolution 16 above, the Directors be authorised to allot equity securities (as defined in Section 560(1) of the Companies Act) wholly for cash under the authority given by that resolution and/or to sell Ordinary Shares held by the Company as Treasury Shares for cash as if Section 561 of the Companies Act did not apply to any such allotment or sale, such authority to be limited:

- (i) to allotments for rights issues and other pre-emptive issues; and
- (ii) to the allotment of equity securities or sale of Treasury Shares (otherwise than under paragraph (i) above) up to a nominal amount of £1,356,069,

such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at the close of business on 30 June 2018, but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and Treasury Shares to be sold) after the authority expires and the Directors may allot equity securities (and sell Treasury Shares) under any such offer or agreement as if the authority had not expired.

For the purposes of this Resolution:

- (a) "rights issue" has the same meaning as in Resolution 16 above;
- (b) "pre-emptive issue" means an issue of equity securities following an offer of securities open for acceptance for a period fixed by the Directors to Ordinary Shareholders (other than the Company) on the register on a record date fixed by the Directors in proportion to their respective holdings, but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to Treasury Shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory; and

(c) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

(See Explanatory Notes – pages 10 and 11)

18. THAT, subject to the passing of Resolution 16 above, the Directors be authorised in addition to any authority granted under Resolution 17 to allot equity securities (as defined in Section 560(1) of the Companies Act) wholly for cash under the authority given by that resolution and/or to sell Ordinary Shares held by the Company as Treasury Shares for cash as if Section 561 of the Companies Act did not apply to any such allotment or sale, such authority to be:

- (i) limited to the allotment of equity securities or sale of Treasury Shares up to a nominal amount of £1,356,069; and
- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of Directors of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at the close of business on 30 June 2018, but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and Treasury Shares to be sold) after the authority expires and the Directors may allot equity securities (and sell Treasury Shares) under any such offer or agreement as if the authority had not expired.

For the purposes of this Resolution the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

(See Explanatory Notes – pages 10 and 11)

19. THAT, pursuant to Article 7 of the Company's Articles of Association, general and unconditional authority be given for the purpose of Section 701 of the Companies Act for market purchases (as defined in Section 693 of the said Act) by the Company of its Ordinary Shares of 10 pence each, provided that:

- (a) the maximum number of Ordinary Shares which may be purchased shall be 27,121,389 Ordinary Shares;
- (b) the minimum price which may be paid for each Ordinary Share shall not be less than the nominal value of the Ordinary Shares at the time of purchase; and
- (c) the maximum price which may be paid for each Ordinary Share shall be an amount equal to the higher of (i) 105% of the average of the closing price of the Company's Ordinary Shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the date on which such Share is contracted to be purchased and (ii) the higher of the price of the last independent trade and the highest current bid as stipulated by Commission-adopted Regulatory Technical Standards pursuant to article 5(6) of the Market Abuse Regulation;

such authority to expire at the end of the next Annual General Meeting of the Company or on 30 June 2018, whichever is the earlier (except in relation to the purchase of Shares the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry). (See Explanatory Notes – page 11)

20. THAT a general meeting other than an Annual General Meeting may be called on not less than 14 clear days' notice. (See Explanatory Notes – page 11)

By Order of the Board

Notes

1. Shareholders (or their proxies) are entitled to attend and vote at general meetings of the Company. On a vote by “show of hands” every Shareholder or effectively appointed proxy who is present shall have one vote. On a poll vote every Shareholder who is present in person or by proxy shall have one vote for every Ordinary Share of which he/she is the holder.
2. A Shareholder entitled to attend and vote at the AGM is entitled to appoint another person as his/her proxy to exercise all or any of his/her rights to attend and speak and vote at the AGM. A Shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different Share or Shares held by that Shareholder. Proxies need not be Shareholders of the Company.
3. The appointment of a proxy must be in writing in any usual or common form or in any other form which the Directors may approve and (i) in the case of an individual must either be signed by the appointor or his/her attorney; and (ii) in the case of a corporation must be either given under its common seal or be signed on its behalf by an attorney or a duly authorised officer of the corporation. Any signature on or authentication of such appointment need not be witnessed. Where an appointment of a proxy is signed on behalf of the appointor by an attorney, the power of attorney or a copy thereof certified notarially or in some other way approved by the Directors must (failing previous registration with the Company) be submitted to the Company, failing which the appointment may be treated as invalid.
4. A Form of Proxy is enclosed with this notice. The appointment of a proxy will not preclude a Shareholder from attending the AGM and voting in person if they subsequently wish to do so.
5. To be effective, the instrument appointing a proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must either be (a) sent to the Company's Registrars, Equiniti Limited, of Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA or (b) lodged using the CREST Proxy Voting Service – see Note 9 below – in each case so as to arrive no later than 11.00am on 8 May 2017 or, if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM.

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only those Shareholders registered in the register of Shareholders of the Company as at 6.30pm on 8 May 2017 will be entitled to attend or vote at the AGM in respect of the number of Shares registered in their name at that time. Changes to entries on the relevant register of Shareholders after 6.30pm on 8 May 2017 will be disregarded in determining the rights of any person to attend or vote at the AGM.

6. The right to appoint a proxy does not apply to persons whose Shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act (“Nominated Persons”). Nominated Persons may have a right under an agreement with the Shareholder on whose behalf they hold the Shares to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the Shares as to the exercise of voting rights.
7. Entitlement to attend and vote at the AGM, and the number of votes which may be cast at the AGM, will be determined by reference to the Company's register of Shareholders at 6.30pm on 8 May 2017 or, if the Meeting is adjourned, at 6.30pm on the day two days before the day fixed for the adjourned meeting (as the case may be). In each case, changes to the register of Shareholders after such time will be disregarded.
8. As at 27 March 2017 the Company's Issued Share Capital consists of 278,485,071 Ordinary Shares, 7,271,174 of which were held as Treasury Shares. Therefore, the total number of Shares in issue excluding Treasury Shares was 271,213,897, each carrying one vote on a poll. The total number of voting rights in the Company as at 27 March 2017 was 271,213,897.
9. CREST Shareholders who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 10 May 2017 and any adjournment(s) thereof by using the procedures described in the CREST Manual which can be viewed at www.euroclear.com. CREST personal Shareholders or other CREST sponsored Shareholders, and those CREST Shareholders who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for the appointment of a proxy or instruction made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy, the revocation in appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of appointments of proxy specified in Note 5 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to the appointed proxy by other means.
11. CREST Shareholders (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST Shareholder concerned to take (or, if the CREST Shareholder is a CREST personal Shareholder or sponsored Shareholder or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST Shareholders (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
13. Any corporation which is a Shareholder can appoint one or more corporate representatives who may exercise on its behalf all of the same powers as the corporation could exercise if it were an individual Shareholder provided that they do not do so in relation to the same Shares.
14. Shareholders should note that under section 527 of the Companies Act it is possible that Shareholders meeting the threshold requirements set out in that section may require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM or (ii) any circumstance connected with an Auditor of the Company appointed for the financial year ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the Shareholder requesting any such website publication to pay its expenses in complying with sections 527 or 528 (requirements as to website availability) of the Companies Act. Where the Company is required to place a statement on the website under section 527 of the Companies Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM for the relevant financial year includes any statement that the Company has been required under section 527 of the Companies Act to publish on a website.
15. All Shareholders and their proxies have the right to and will have the opportunity to ask questions at the AGM. When invited by the Chairman, any Shareholder or proxy who wishes to ask a question should wait for a Company representative to bring them a microphone. It would be helpful if questioners could state their name before asking their question. Questions may not be answered at the Meeting if they are deemed not to be in the interests of the Company or the good order of the Meeting, would involve the disclosure of confidential information, or the answer has already been given on the website. The Chairman may also nominate a Company representative to answer a specific question after the Meeting or refer the response to the Company's website.
16. Shareholders have the right, under section 338 of the Companies Act, to require the Company to give Shareholders entitled to receive Notice of the AGM, notice of a resolution which the Shareholders wish to be moved at the Company's AGM. Additionally, Shareholders have the right under section 338A of the Companies Act to require the Company to include a matter (other than a proposed resolution) in the business to be dealt with at the AGM. The Company is required to give such notice of a resolution or include such matter once it has received requests from Shareholders representing at least 5% of the total voting rights of all the Shareholders who have a right to vote at the AGM or from at least 100 shareholders with the same right to vote who hold shares in the Company on which there has been paid up an average sum per Shareholder of at least £100. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or electronic form and must be received by the Company not later than six clear weeks before the AGM or, if later, the time at which notice is given of the AGM. In the case of a request relating to section 338A of the Companies Act, the request must be accompanied by a statement setting out the grounds for the request.
17. In accordance with section 311A of the Companies Act, the contents of this Notice of Meeting, details of the total number of Shares in respect of which members are entitled to exercise voting rights at the AGM, details of the total number of the voting rights that Shareholders are entitled to exercise at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website – www.vesuvius.com.
18. Email addresses provided in this Notice of Meeting or any related documents (including the Form of Proxy) should not be used to communicate with the Company for any purposes other than those expressly stated.
19. Each of the resolutions to be put to the Meeting will be voted on by poll and not by "show of hands". This is a more transparent method of voting as Shareholders' votes are counted according to the number of shares held. As soon as practicable after the AGM the results of the poll (and other information required by section 341 of the Companies Act) will be announced via a regulated information service and made available on the Company's website – www.vesuvius.com.
20. Copies of all contracts of service or, where applicable, letters of appointment of the Directors are available for inspection during business hours at the registered office of the Company and will be available for inspection at the place of the Meeting for 15 minutes prior to and during the AGM.

This document is important and requires your immediate attention. Explanatory Notes to the Notice of the Annual General Meeting 2017

Ordinary and Special Resolutions

Resolutions 17, 18, 19 and 20 are special resolutions; the remainder are ordinary resolutions. Ordinary resolutions require a simple majority of Shareholders voting in person or by proxy to pass the resolutions, whereas special resolutions require at least 75% of Shareholders voting in person or by proxy to pass the resolutions.

Items of Business

Receipt of the Annual Report and Declaration of a Final Dividend (Resolutions 1 and 2)

Resolution 1 deals with the receipt of the annual report and accounts of the Company for the year ended 31 December 2016 (the "Annual Report"). Resolution 2 deals with the declaration of a final dividend of 11.40 pence per Ordinary Share for the year ended 31 December 2016. If approved, the dividend will be paid on 19 May 2017 to Shareholders on the register of members at the close of business on 7 April 2017.

Approval of the Directors' Remuneration Policy and Directors' Remuneration Report (Resolutions 3 and 4)

The Directors' Remuneration Report in the Annual Report contains:

- > a statement by the Chairman of the Company's Remuneration Committee;
- > the proposed new Directors' Remuneration Policy in relation to future payments to the Directors and former Directors; and
- > the Annual Report on Directors' Remuneration, which sets out payments made in the financial year ended 31 December 2016.

The Directors' Remuneration Policy part of the Directors' Remuneration Report, which sets out the Company's forward looking policy on Directors' remuneration (including the approach to exit payments to Directors), is subject to a binding shareholder vote by ordinary resolution at least every three years. The policy was last approved at the AGM in 2014, so a new policy is being tabled for approval at this AGM.

Resolution 3 is therefore an ordinary resolution to approve the revised Directors' Remuneration Policy, which is set out in full on pages 81 to 89 in the Annual Report. If approved, this Policy will take formal effect from the close of this AGM, and will remain valid until replaced by a new or amended Policy (expected to occur at the 2020 Annual General Meeting of the Company). If the Company wishes to change the Directors' Remuneration Policy, the new or amended policy will be put before the Shareholders for consideration and approval. Payments by the Company to the Directors and former Directors of Company must be made in accordance with the Directors' Remuneration Policy, unless a payment has been separately approved by a Shareholders' resolution.

The new Directors' Remuneration Policy does not differ materially from that previously approved in 2014. In particular, it is proposed that the Company retain the existing remuneration structure of Fixed pay, Annual Incentive and Long-Term Incentive awarded in Performance Shares.

Resolution 4 is the annual advisory vote on the Directors' Remuneration Report as set out on pages 79 to 98 of the Annual Report (excluding the Policy Section referred to above) as required under Section 439 of the Companies Act.

In accordance with the provisions of the UK Companies Act 2006 (the "Companies Act"), the Directors' Remuneration Report as set out on pages 79 to 98 in the Annual Report, contains a statement by the Chairman of the Company's Remuneration Committee, and the Annual Report on Directors' Remuneration, which sets out the payments made to Directors in the financial year ended 31 December 2016.

Election of Directors (Resolutions 5 to 12)

All Directors will retire and offer themselves for election or re-election at the AGM in accordance with the Company's Articles of Association and the UK Corporate Governance Code (which recommends that all directors of FTSE 350 companies be subject to annual election by Shareholders). Appointment of PricewaterhouseCoopers LLP as Auditor and authorisation of Directors to determine the Auditor's remuneration (Resolutions 13 and 14)

Resolutions 13 and 14 deal, respectively, with the appointment of the auditor of the Company and the authorisation of the Directors to determine the auditor's remuneration for the current financial year.

During the year, and in light of regulatory changes regarding audit tendering and audit firm rotation, the Audit Committee oversaw a formal and comprehensive tender process for the external audit appointment with a view to a new audit firm being appointed to audit the financial statements for the year ending 31 December 2017. Following the completion of this tender process the Board is recommending that Shareholders approve the appointment of PricewaterhouseCoopers LLP as the Company's new auditor. Further information about the tender process conducted in 2016 can be found on page 76 of the Annual Report.

KPMG will stand down as the Company's auditor at the conclusion of the AGM. It has provided the Company with a Statement of Circumstances as required by the Companies Act, which is set out in the Appendix on page 12.

Authority for the Company to incur political expenditure (Resolution 15)

Resolution 15 is an ordinary resolution which authorises the Company and its UK subsidiaries to make political donations and to incur political expenditure. The Companies Act requires companies to obtain Shareholders' authority for donations to registered political parties, other political organisations and independent election candidates totalling more than £5,000 in any 12-month period, and for any political expenditure, subject to limited exceptions. The definitions of "donations", "political organisations", "independent election candidates" and "political expenditure" are very wide in this context and there is concern that they may have had the effect of covering a number of normal business activities that would not be thought to be political donations in the usual sense.

As required by the Companies Act, the resolution is in general terms and does not purport to authorise particular donations. It remains the policy of the Company not to make political donations or incur political expenditure as those expressions are normally understood. However, to avoid inadvertent infringement of the Companies Act, the Directors are seeking Shareholders' authority for the Company and its subsidiaries to make political donations and to incur political expenditure during the period from the passing of the resolution until the conclusion of the Company's next AGM or 30 June 2018, whichever is the earlier, up to a maximum aggregate amount of £100,000.

Directors' authority to allot shares (Resolution 16)

Under the Companies Act the Directors may only allot unissued Shares if authorised to do so by the Shareholders in general meeting. At the Annual General Meeting held on 12 May 2016, Shareholders granted the Directors authority to allot relevant securities under Section 551 of the Companies Act. Resolution 16 seeks to renew the authority to:

- (a) allow the Directors to allot Shares or grant rights to subscribe for or convert any security into Shares up to an aggregate nominal amount of £9,040,463 representing an amount equal to one-third of the Company's issued share capital, excluding Treasury Shares, as at 27 March 2017; and
- (b) to allow the Directors to allot new Shares or grant rights to subscribe for or convert any security into Shares only in connection with a rights issue up to a further nominal value of £9,040,463 representing an amount equal to one-third of the Company's issued share capital, excluding Treasury Shares, as at 27 March 2017.

If this resolution is passed, the Directors will have the authority in certain circumstances to allot new Shares and other relevant securities up to a total nominal value of £18,080,926 representing a total amount equal to two-thirds of the Company's issued share capital, excluding Treasury Shares, as at 27 March 2017.

The authority being sought complies with the Share Capital Management Guidelines issued by the Investment Association in 2016, (the "IA Share Capital Guidelines"). The Company has no present intention of undertaking a rights issue, or of allotting new Shares other than in connection with any outstanding share option awards or allocations under the Vesuvius Share Plan. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place.

As at 27 March 2017, the Company held 7,271,174 Treasury Shares which represent 2.61% of the total number of Ordinary Shares in issue at that date.

The authorities granted in Resolution 16 will expire on the date of the Company's next AGM or 30 June 2018, whichever is the earlier.

Special Resolutions**Directors' authority to allot shares other than on a pre-emptive basis (Resolutions 17 and 18)**

If equity securities are to be allotted for cash using the authority given by Resolution 16 explained above, Section 561(1) of the Companies Act requires that those securities be offered first to existing Shareholders in proportion to their existing holdings. The Board considers it appropriate for the Company to seek approval from Shareholders to waive these rights in certain circumstances, in order to allow the Company maximum flexibility to react to future business needs without the need to comply with the strict requirements of the statutory pre-emption provisions.

The authorities being sought in Resolutions 17 and 18, are in line with the IA Share Capital Guidelines and the Pre-Emption Group's Statement of Principles (the "Pre-Emption Principles") as revised in March 2015. The Resolutions are proposed in accordance with the template resolutions published by the UK Pre-Emption Group in May 2016.

Resolution 17 is a special resolution which renews and extends the Directors' authority, granted by the Shareholders at a general meeting of the Company held on 12 May 2016, to allot equity securities, or sell Treasury Shares, for cash:

- i) in connection with a rights issue or other pre-emptive offer; or
- ii) in any other case up to an aggregate nominal value of 5 per cent of the Company's issued share capital excluding Treasury Shares without first being required to offer such Shares to existing Shareholders in proportion to their existing holdings.

Resolution 18, which is proposed as a special resolution, authorises the Board, in addition to the authority set out in Resolution 17, to allot equity securities, or sell Treasury Shares, for cash up to a further aggregate nominal value of 5 per cent of the Company's issued Share capital excluding Treasury Shares, without first being required to offer such Shares to existing Shareholders in proportion to their existing holdings. This additional authority can only be used for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Principles.

The Board confirms that it intends to adhere to the provisions in the Pre-Emption Principles, and not to allot shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 17 in excess of an amount equal to 7.5 per cent of the Company's issued Share Capital excluding Treasury Shares within a rolling three-year period, other than (i) with prior consultation with Shareholders, or (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

These Resolutions seek a disapplication of the pre-emption rights in relation to a rights issue to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems, for example issues arising as a result of local legal or regulatory requirements in respect of overseas Shareholders' participation in a rights issue. If passed, the authorities given in these Resolutions will expire on the date of the Company's next Annual General Meeting or 30 June 2018, whichever is the earlier.

Authority for the Company to purchase its own shares (Resolution 19)

Resolution 19 is a special resolution whereby Shareholders grant authority for the Company to purchase its own Shares during the period from the passing of the resolution until the conclusion of the Company's next Annual General Meeting or 30 June 2018, whichever is the earlier. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, which reflect the requirements of the Listing Rules. Any Shares purchased under this authority would be cancelled or held as Treasury Shares. If Shares are cancelled, the number of Shares in issue would be reduced accordingly.

If approved, the resolution would authorise the Company to purchase up to a total of 27,121,389 Shares of 10 pence each (representing 10% of the Company's issued Shares, excluding Treasury Shares, as at 27 March 2017). As at 27 March 2017 (which is the latest practicable date before publication of this Notice), approximately 2.6 million Shares were capable of issue in respect of allocations or options to subscribe for Shares. This represents 0.93% of the issued Share capital of the Company at that date, which would increase to 1.03% if the authority to buy back Shares under this resolution were used in full.

The Company purchased 7,271,174 of its own Shares under the authority granted at the 2013 Annual General Meeting which are held in treasury. The Board has no present intention of exercising the authority granted pursuant to this resolution.

Authority for the Company to call a general meeting on 14 clear days' notice (Resolution 20)

Under the Companies Act, the notice period required for all general meetings of the Company is 21 days. Annual General Meetings will always be held on at least 21 clear days' notice but Shareholders can approve a shorter notice period for other general meetings, as long as this is not less than 14 clear days.

Resolution 20 is a special resolution which will preserve the ability of the Company to call general meetings (other than an Annual General Meeting) on 14 clear days' notice. The Company does not propose to use this reduced notice period as a matter of routine, but wishes to maintain the flexibility to do so where it is merited by the business of the meeting (for example because the matter to be discussed is time sensitive) and is thought to be to the advantage of Shareholders as a whole. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed. The Company will also need to meet the requirements for electronic voting under the Shareholder Rights Directive in order to be able to call a general meeting on 14 clear days' notice.
